	Barbara Janovitz, Council Vice President and Committee Member
	James Pasch, Council President and Committee Member
FROM:	Tina Turick, Assistant Administrative Officer
DATE:	October 13, 2020
SUBJECT:	Administrative Salary Ordinance – Schedule D Amendment Departmental Restructuring

In preparation of the October 19<sup>th</sup> Committee meeting, please find an outline and documentation regarding the proposed departmental restructuring and amendment to Schedule D of the Administrative Salary Ordinance.

### **Building/Economic Development Department**

In practice, the Building and Economic Development Departments have been under the supervision of the Building Commissioner for some time. In fact, Mr. Griswold estimates that 50% of his time is currently spent on Economic Development projects. In consultation with Mr. Griswold and Mr. Heiser, the Mayor is recommending that we officially combine these two Departments. While we are currently working with a consultant for some of our Economic Development activities, our intent is to eventually fill the Economic Development Manager position so we will have one full-time person whose primary focus will be Economic Development. Should Council wish to proceed in this direction, Law Director Calta will work to provide legislation to amend Section 135.07 of the BCO, which talks about the structure of the Office of Economic Development. It will also be necessary to amend BCO Section 143 – Building Department. Enclosed, please find the following:

- Departmental Organizational Chart
- Spreadsheet/Proposed Restructuring
- Current BCO Section 135.07 and 143

### **Community Services Department**

In anticipation of the retirement of the Community Services Director and Recreation Supervisor, the Mayor and I met with Mrs. Carmen, Mr. Heiser and Mr. Conces to discuss the departmental vision for the future. Mrs. Carmen's approach to management is very inclusive – the more you know about everything the

department provides, the better our service becomes. Her staff has been cross trained and is aware of the inner workings of the Department. When major events or projects occur, the entire department steps in to ensure success. As such, she is recommending a restructuring of the Department in order to provide a seamless transition to a new Community Services Director. We are in the process of updating the job description for the Community Services Director and will soon advertise to fill the position. It is our goal to have a new director in place so that Mrs. Carmen and Mr. Conces can work with this person prior to their retirement. This will also require an update to BCO Section 144 and 146 as the Departments of Parks and Recreation and Human Services have been operating under this department for 20 years. Enclosed, please find:

- Departmental Organizational Chart
- Spreadsheet/Proposed Restructuring
  - o Program Managers replace Program Coordinators
  - o Full Time Van Position eliminate and replaced with
  - 2 additional part time van positions
- Current BCO Sections 144 and 146

### **Public Works Department**

The changes to the Public Works Department have been discussed previously and are a matter of housekeeping.

- Update Department name to be consistent with recent Charter Change.
- Combine the Superintendent Positions and Environmental Manger into a single line item converting 6 separate position listings into one Superintendent line with 6 individuals assigned. This will provide greater flexibility to the Public Works Director in assigning duties and areas of responsibility.

### **Schedule D Amendment**

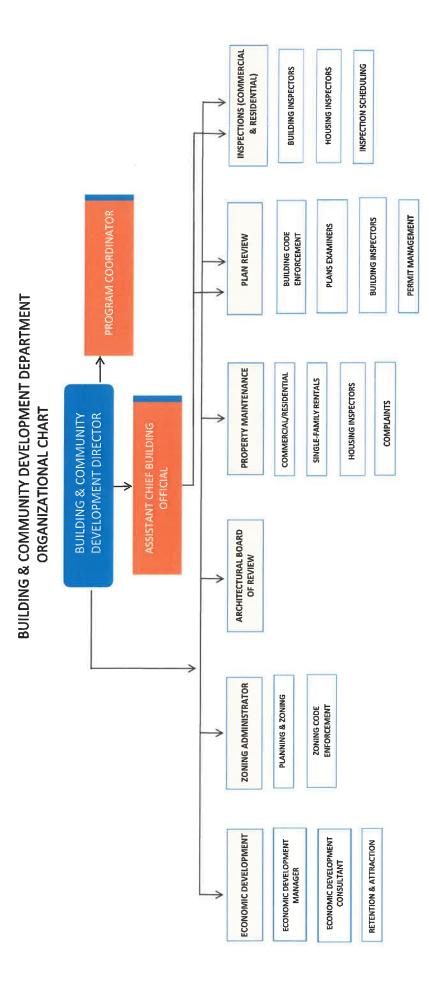

• Summary/Outline of Changes proposed to Schedule D of the Administrative Salary Ordinance.

Representatives from the Departments outlined above will be available to discuss the recommended changes to the Departments they oversee. In addition, these changes have been reviewed with our Law Director, Finance Director and Human Resources Administrator prior to the Mayor authorizing that these changes be submitted to City Council for consideration.

We look forward to the opportunity to present the above to City Council on October 19.
